Easy, Efficient & Effective

It is the virtual space where attendees can be seated at any table, move across the table, and interact with those on the same tables.

On joining the table, you can **start a video call, audio call, table chat, or share your screen** with others on the table itself.

You are at the Backstage 👁 0

- Share Entire Screen - This will share **_everything_** that you have open on your computer.

- Share Application - Only applications that are currently open on your computer are available. Keep in mind that you can only share one application at a time.

Step 3

spot.eventx.io is sharing a window.   **Stop sharing**   Hide
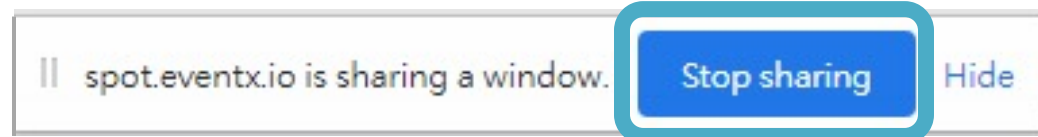

A control bar will appear at the bottom of the screen.
